- Table 1807.1.6.2 Concrete Foundation Walls shall be amended to require a minimum of a 30" on center vertical and horizontal rebar grid unless site specific engineering is provided to the Building Official.
- All Appendices of the IBC, 2012 Edition, are hereby deleted.

2012 International Residential Code:

DELETIONS:

- All electrical, plumbing, and HVAC requirements of Chapters 12 through 41 shall be deleted, thus solely regulated under the State of Idaho, Department of Labor and Industrial Services.
- All Appendices of the International Residential Code, 2012 Edition, are hereby deleted.
- Section 903.2.8 Insert the following section: Exception: One or two dwelling is not required to be sprinklered as per the State of Idaho revisions of the 2012 International Building Code.

MODIFICATIONS OR AMENDMENTS:

- Table 301.2(1) shall be amended to read as follows:
Live Snow Load = 35+, Wind Speed = 90, Seismic Design Category = 3 or D-1, Weathering = Severe, Frost Depth = 30", Termite = Slight/Moderate, Decay = None/Slight, Winter Design Temp = -4° (7277 THD), Flood Hazards = FIRM, Ground Snow Load = 45+.
- The Exception to Section R405.1 is deleted and replaced with the following:
Exception: A drainage system is not required when the foundation is installed on well-drained ground or gravel-sand-clay mixture soils according to the Unified Soil Classification System, Group I and Group II Soils, as detailed in Table R405.1.
- Add Appendix J of the International Residential Code Existing Building and Structures.

Section 3: INSTALLATION OF MANUFACTURED HOMES – Manufactured Homes as defined by Idaho state law and inspected by The Department of Housing and Urban Development (HUD), shall not be subject to the enforcement provisions of the aforesaid Uniform Building Code, but shall be regulated and inspected as prescribed in Title 44, Chapter 22 of the Idaho Code. The owner, or an agent of the owner, must apply for and receive, and Installation Permit prior to placing any Manufactured Home on their property. No structural modifications may be made to any Manufactured Home or Manufacturers Installation Instructions unless a written site-specific structural analysis from a State of Idaho Certified Engineer or Architect has been approved, verifying the modifications compatibility with the Manufactured Home. All additions or alterations to any Manufactured Home must comply with all Building Code requirements. The Building Official or appointed representative is hereby authorized to permit, inspect and collect fees, as established by the governing body, for Manufactured Homes placed in Jefferson County. Mobile or Manufactured Homes not bearing a HUD certification label shall not be allowed except as provided for by Title 44 Chapter 25 of Idaho Code.

Section 4: EXEMPTIONS – Agricultural buildings are exempt from building codes adopted herein when qualified for the agriculture exemption through Jefferson County Planning and Zoning, but shall remain subject to placement requirements established by Jefferson County Zoning regulations.

Section 5: GENERAL – Fees shall be assessed in accordance with the provisions of this section.

Permit Fees: The fee for each permit shall be as set forth in this section of the Ordinance. The determination of value or valuation under any of the provisions of this code shall be made by the building official. The value to be used in evaluating the building permit and building plan review fees shall be the total value of all construction work for which the permit is issued, as well as all finish work, painting, roofing, electrical, plumbing, heating, air conditioning, elevators, fire extinguishing systems and any other permanent equipment.

Plan Review Fees: When submittal documents are required by the Building Official, a plan review fee shall be paid at the time the documents are submitted for plan review. Said plan review fee shall be ten (10%) percent of the building permit fee as shown in the Jefferson County Building Permit Fee Schedule.

The plan review fees specified in this section are separate fees from the permit fees specified in Section 108.2 of the International Residential Code (IRC) and are in addition to the permit fees.

When submittal documents are incomplete or changed so as to require additional plan review or when the project involves deferred submittal items, an additional plan review fee shall be charged at the rate shown in the Jefferson County Building Permit Fee Schedule.

Expiration of Plan Review: Applications for which no permit is issued within 180 days following the date of application shall expire by limitation, and plans and other data submitted for review may thereafter be returned to the applicant or destroyed by the building official. The building official may extend the time for action by the applicant for a period not exceeding 180 days on request by the applicant showing that circumstances beyond the control of the applicant have prevented action from being taken.

No application shall be extended more than once. In order to renew action on an application after expiration, the applicant shall resubmit plans and pay a new plan review fee.

INVESTIGATION FEES: Work without a Permit.

Investigation: Whenever any work for which a permit is required by this code has been commenced without first obtaining said permit, a special investigation shall be made before a permit may be issued for such work.

Fee: An investigation fee, in addition to the permit fee, shall be collected whether or not a permit is then or subsequently issued. The investigation fee shall be equal to the amount of the inspection required by this code. The minimum investigation fee shall be the same as the minimum fee set forth in the Jefferson County Building Permit Fee Schedule. The payment of such investigation fee shall not exempt any person from compliance with all other provisions of this code nor from any penalty prescribed by law.

Fee Refunds: The Building Official may authorize refunding of any fee paid hereunder which was erroneously paid or collected. The Building Official may authorize refunding of not more than 80 percent (80%) of the permit fee paid when no work has been done under a permit issued in accordance with this code. The Building Official may authorize refunding of not more than 80 percent (80%) of the plan review fee paid when an application for a permit for which a plan review fee has been paid is withdrawn or canceled before any plan reviewing is done.
